PREFACE TO THE 1ST EDITION.

THE following history of the services of gazetted officers under the Government of the North-Western Provinces and Oudh has been compiled in the Secretariat Office in immediate communication with the Accountant-General. It brings the narrative of services up to 1st of January, 1880. A few officers (Deputy Collectors, Extra Assistant Commissioners, Forest Officers, and others) have been unavoidably omitted, as the necessary details were not forthcoming in time. These will follow, as a first *addendum*, in due course. It is probable that in a work of this kind some mistakes have crept in; and the undersigned will be glad to be informed of any errors of omission or commission that may have occurred. The history will be continued from time to time as occasion offers.

The 1st April, 1880.		

Junior Secy. to Govt., N.-W. P. and Oudh.

PREFACE TO THE 2ND EDITION.

IN this edition the history of services has been corrected up to 1st of January, 1881, and additional information has been given on various points. A slight change has been made by removing all notices of temporary grade promotions from the body of the history and recording them together in a separate note.

As promised in the preface to the 1st edition, the histories of Deputy Collectors, Extra Assistant Commissioners, Forest Officers, and a few others have now been added. Every effort has been made to render the present edition as complete and accurate as possible. At the same time, in a work like this it is inevitable that mistakes should have crept in; and the undersigned would be glad, as before, to be informed of any such.

NAINI TAL :	}	R. SMEATON,
The 15th June, 1881.		

Junior Secy. to Govt., N.-W. P. and Oudh.

† 12th May was Sunday. He had leave only till 11th May.

‡ This leave was subsequently converted into leave without pay, and he had therefore to refund the half pay he had drawn for these five days.—See note below.

§ This leave was granted by Government on an erroneous report of the Accountant-General's office as to the Munsiff's title to the leave; and it was therefore cancelled, but too late to prevent the Munsiff from availing himself of the same, though only for a few days. A reference was accordingly made by the Accountant-General to the Government of India, asking that an exception to the Rule (Financial Resolution No. 1812, dated 16th August 1855) might be made in favour of the Munsiff, as that officer took leave on the strength of his office report. It was added that Man Mohun Lal had been on private affairs leave on half pay from 24th January to 12th February 1859, and again from 16th to 20th December 1859; and that if the favour asked for be conceded to the Munsiff, it was proposed to recover from him the half pay irregularly allowed him on the second occasion, and to reckon his service towards the private affairs leave now taken from 13th February 1859, omitting the five days' absence without pay in December 1859. In reply, the Government of India permitted Man Mohun Lal to draw half-pay for six months *minus* five days of his leave, which commenced in January 1872; but ruled that any future application from him for leave of any kind should be dealt with on the supposition that his last leave on private affairs, commenced on the 6th October 1872, i. e., six years after the date of his re-appointment.—G.
